

## Equine Services

Horses are the principal leisure and sporting activity of a growing number of people, resulting in the continued growth of the equine service industry.

If you are interested in diversifying your business, further developing an existing equine business or wish to improve the performance of your current business, SAC and its specialist consultants can assist. We can also help with the housing, feeding and management of your horses.

SAC has considerable breadth of experience and expertise across a whole range of disciplines. Our ability to bring together specialists from many different fields to address your specific needs makes us a unique service provider. Our specialists work together to find the right solutions for your business.

SAC consultants can provide advice on:

### Business

- Diversification projects, costings and technical advice
- Business planning
- Business management
- Grant applications
- Planning applications
- Legislative requirements and expert witness
- Environmental impact assessment

### Buildings Design

- Stables
- Indoor schools
- Outdoor arenas
- Ancillary buildings
- Conversions or improvements
- Associated housing

### Grassland Management & Nutrition

- Species mixes
- Fertiliser requirements
- Weed control
- Stocking rates
- Forage analysis
- Hay and conservation

For further information contact your local office.
