

SAC Livestock Record Program

SAC Livestock Record Program (SAC-LRP) has been produced to provide users with an easy to use package that keeps all the necessary livestock records required for mandatory and cross compliance purposes. The program is continually being developed and enhanced to ensure it is up to date.

Features of the program include:

- An easy to use package to satisfy legal, farm assurance, management and cross compliance requirements.
- Full medicine records can be kept.
- Animal Transport certificates can be printed.
- Several warning screens can be set on start up e.g. passport applications, movements, age, animals at market.
- Integration with CTS Web Services to allow passport applications and movements to be easily notified to BCMS.
- Easy to use data validation to ensure your records match those held at BCMS.
- A simple menu system to guide you through the features of the programme.
- A wide range of management reports to help improve performance.
- Full integration with EID available.
- Secure backup to the National Livestock Management Database (NLMD) available.

- Free telephone support through SAC and upgrades in the first year.
- Available as Cattle & Flock, Sheep or both combined.

For more information on the SAC Livestock Record Program or to arrange a free 30 day trial contact your local office or visit our website.
