

GREEN RESIDENCE POLICY

At Craibstone Estate halls of residence, we are committed to working in a sustainable way. We are undertaking the following actions in order to achieve this:

We have joined the Green Tourism Business Scheme as an indicator of our sustainable practices.

We raise awareness, encourage participation and train employees in sustainable practices.

We comply with the requirements of environmental legislation and approved codes of practice.

We expect similar environmental standards from our suppliers and contractors.

We have minimised the risks associated with social and environmental issues.

We assist our customers to use resources and services in an environmentally sensitive way.

We reduce pollution, emissions and waste.

We continue to seek to improve our environmental and social performance.

We reduce our use of energy, water and other resources.

We welcome all suggestions and feedback from our customers on how we can improve our performance ...
