

Joint SAC/SEPA Biennial Conference

Agriculture and the Environment VIII Climate, Water & Soil: Science, Policy & Practice

31 March-1 April 2010
Edinburgh

POSTER BOARDS

Posters should be standard A0 size, which fit comfortably on the conference poster boards available. The boards are suitable for either velcro fastenings or thumbtacks.

Each contributor is allowed up to TWO boards per presentation. To enable us to plan the layout of the posters, please can you advise the Conference Administrator of your requirements (1 or 2 boards) for each presentation by **FRIDAY, 19 MARCH 2010**.

The Poster Sessions

Posters will be mounted in a separate presentation room and will remain mounted throughout the conference. Posters will be mounted relating to conference themes. A poster board number will be allocated to each poster at registration. There will be three formal sessions, one session following lunch and one session before the close of day one on 31 March, and one session on 1 April following lunch. We will expect authors to be available at their posters during each of the formal sessions.

If you have any queries please contact the conference Administrator.
